## Call for Papers

---

*The Journal of* THE WHITE HOUSE HISTORICAL ASSOCIATION

*White House History Quarterly* features articles on the historic White House and its occupants. With the knowledge that the White House is one of the most richly documented houses in the world and the premier symbol of the American presidency, we publish original research that draws from these resources as well as first-hand interviews, secondary accounts, and the vast wealth of illustrations of all kinds, from drawings to photographs, in exploring the many aspects of so extensive a past. We serve a varied readership, both popular and academic, interested in history, architecture, and biography, all of which we present in the context of the White House and its ongoing traditions.

*White House History Quarterly* welcomes submissions in the form of abstracts of original scholarship from historians, scholars, and artisans of diverse specialties, and former White House staff.

**We are currently considering abstracts for issues related to the following topics:**

Military Roles in the White House

The First Ladies

A Visit to the White House

The White House & Washington, D.C.

The White House Toys, Games & Souvenirs
