History of the White House Easter Egg Roll

The first annual White House Easter Egg Roll was held on April 22, 1878, after President Rutherford B. Hayes agreed to open the White House grounds on Easter Monday to children who wanted to roll Easter eggs. Music played by the United States Marine Band is also a highlight of the event started in 1889 by President Benjamin Harrison. *Learn more [here](#).*

About The White House Historical Association

First Lady Jacqueline Kennedy envisioned a restored White House that conveyed a sense of history through its decorative and fine arts. In 1961, the White House Historical Association was established to support her vision to preserve and share the Executive Mansion's legacy for generations to come. Supported entirely by private resources, the Association's mission is to assist in the preservation of the state and public rooms, fund acquisitions for the White House permanent collection, and educate the public on the history of the White House.
