NEW Virtual White House Springtime Scavenger Hunt and 360 Tour of the White House

March 27, 2024 (Washington, D.C.) — The White House Historical Association is offering a new Virtual White House Springtime scavenger hunt as a compliment to the annual White House Easter Egg Roll. These virtual activities can be completed online at whitehousehistory.org for a chance to win an Official 2024 White House Easter Egg Set.

The Virtual White House Springtime scavenger hunt uses a 360-degree virtual tour of the White House. The activity includes fun facts about the history of the Easter Egg Roll, the White House, and the people who have lived in the Executive Mansion. The interactive egg hunt challenges players to find eight fun facts about the history of the White House Easter Egg Roll and other springtime traditions placed throughout the Executive Mansion. A worksheet can be completed when all the facts are located. Completed worksheets can be submitted for a chance to win an Official 2024 White House Easter Egg Set.

The Association’s free WHExperience app will also feature the Springtime scavenger hunt along with a history tour about the White House Easter Egg Roll.

About The White House Historical Association

First Lady Jacqueline Kennedy envisioned a restored White House that conveyed a sense of history through its decorative and fine arts. In 1961, the White House Historical Association was established to support her vision to preserve and share the Executive Mansion’s legacy for generations to come. Supported entirely by private resources, the Association’s mission is to assist in the preservation of the state and public rooms, fund acquisitions for the White House
permanent collection, and educate the public on the history of the White House. Since its founding, the White House Historical Association has contributed more than $115 million in fulfillment of its mission.
